

KS3 Homework Timetable 2018-19

In year 7 and 8 students will receive a weekly homework for English, Maths, Science and MFL. Each homework will be set on the same day each week and the deadline will be the same day the following week. Students will also be set a termly homework project.

In addition, all students in years 7 and 8 are enrolled on a programme called Accelerated Reader (AR). Pupils must read within their Book Level Range, and are expected to read for 20 minutes each evening as part of their homework timetable. When a student finishes a book they complete a short quiz on it, to prove they've read it carefully. To meet their minimum reading homework target students will be expected to complete and pass 2 quizzes each term.

YEAR 7
