

Carleton High School Enrichment Activities

Term 5 2018/19

Introduction

What is enrichment?

Although lessons end at 3.05pm, the school day does not. Students can choose from a wealth of after-school enrichment activities and clubs, both academic and non-academic.

Sessions are typically 3.05pm – 4.05pm.

Why attend enrichment?

There are a number of reasons to attend the after-school activities on offer. Firstly, achieve sessions are a fantastic tool to help accelerate your academic achievement. Whether you missed a lesson, want to improve your depth of knowledge or need help with specific work then sessions can provide you with one to one tuition from a range of staff in different departments. Secondly, enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum or life experience. Gaining new experiences is both enjoyable and desirable to future employers and higher education providers.

Who can attend?

Everyone! Whatever year group you are in, there are a huge range of sessions to choose from. Some activities are specifically targeted at individual year groups or key stages and this information is provided in this booklet. Some enrichments may provide great opportunities to make friends in other year groups.

What is available?

Whatever your needs or interests, there are multiple activities to get involved with. The selection of activities we offer are organised for you by day. If there's an enrichment you would like to take part in that isn't currently offered, please mention it to Mr T Marks.

What happens if an enrichment has to be cancelled?

Occasionally enrichment sessions may need to be cancelled, such as when there is bad weather. You will be made aware of this at the very first opportunity so that you can plan your journey home.
