Dear Parent/Carer,

The end of the year summer assessments are fast approaching. The purpose of these is to be able to assess how much progress your child has made and support them to reach their full potential.

The importance of effective preparation for assessments is well proven. They will also help to prepare students for all the external exams they will sit.

Please find details of the assessment arrangements during Term 6 for your child.

There is a mock exam timetable and a revision planner enclosed. Staff will provide subject specific resources to help your child prepare for the assessments. The assessments will take place in the Theatre.

We hope you will be able to support the school in ensuring your child prepares thoroughly for the assessments.

Yours faithfully

**T Marks
Assistant Head Teacher**
