Dear Parent/Carer,

The end of the year summer assessments are fast approaching. The purpose of these is to be able to assess how much progress your child has made and support them to reach their full potential.

The importance of effective preparation for assessments is well proven. They will also help to prepare students for all the external exams they will sit.

Please find below details of the assessment arrangements during Term 6 for your child.

There will be an externally set assessment in English on Tuesday 2 July and Maths on Wednesday 3 July. These will take place in the Theatre, start during registration and run through Period 1.

There will also be assessments in other subjects during lesson time between Monday 3 June and Friday 21 June. Staff will share details of these on 'Show my Homework' along with any support materials.

Thank you for your support in helping to prepare your child for these assessments.

Yours faithfully

T Marks
