

**CARLETON
HIGH SCHOOL**

Co-curricular Activities, Clubs and Societies 2020/21

Introduction

What is co-curricular?

Although lessons end at 3.05pm, the school day does not. Students can choose from a wealth of after-school co-curricular activities clubs, and societies.

Sessions are typically 3.05pm – 4.05pm.

Why attend co-curricular?

Co-curricular activities allow you to gain experience and skills in areas not typically part of your everyday curriculum or life experience. Gaining new experiences is both enjoyable and desirable to future employers and higher education providers. Co-curricular allows students to discover new interests, develop existing ones and further develop their character and wider personal skills.

Who can attend?

We encourage all students to immerse themselves in the full life of the school and we are passionate about the impact that co-curricular activities have on our students.

What is available?

Whatever your needs or interests, there are multiple activities to get involved with. The selection of activities we offer are organised for you by day. If there's a co-curricular you would like to take part in that isn't currently offered, please mention it to Mr T Marks.

What happens if a co-curricular activity has to be cancelled?

Occasionally co-curricular sessions may need to be cancelled, such as when there is bad weather. You will be made aware of this at the very first opportunity so that you can plan your journey home.

Although we are unable to offer any co-curricular activities at present, please have a look at the list below to get a flavour of what clubs and activities were available last year, and what we hope to re-introduce as soon as we are able to.
