

# CARLETON HIGH SCHOOL

2 October 2020

Dear Parent/Carer

We are really excited to provide you with details of our co-curricular after school programme until October half term.

Under normal circumstances, Carleton High School offers a comprehensive co-curricular programme which includes a variety of clubs, activities and societies for all age groups. However, due to the current climate we are unable to open all activities at the present time.

We have devised a programme that is starting small to enable us to assess how the provision can grow over the course of this academic year. We have scheduled activities according to year group bubbles and all activities will have a restriction on numbers.

If your child would like to take part in one of the co-curricular activities listed below, please complete the reply slip and ask your child to return it to their form tutor by **Thursday, 8 October**. You will be sent a text to confirm if your child has a place in their chosen club on Friday, 9 October.

Not only is co-curricular an integral part of our Key Stage 3 Graduation Programme, it is an incredible opportunity for students to try something new, develop some new skills and build confidence.

**Sessions will start after school, week commencing Monday, 12 October 2020. Sessions will finish at 3:45pm.** Please see the timetable of available activities below.

Year Group	Day	Co-Curricular Activity	Description	Location
7	Tuesday	Let's Get Physical!	Get involved, make new friends and have fun learning a range of sports skills including badminton, football, rugby, cricket and rounders.	Sports Hall and Field
	Wednesday	Science Extravaganza	A chance for students to try their hand at some of the most exciting science experiments!	S1
		Creative Technology	Learn some new life skills and make some cool stuff!	D4
		Breaking News Journalism	Students will learn journalism skills and have the exciting opportunity to work together to produce articles for the school website.	T18
		Performing Arts	Develop your performance skills while exploring the exciting theatrical world of The Lion King.	Drama Studio
