Dear Parent/Carer

Revision is a vital part of your child's preparation; good revision consolidates learning, improves grades and increases confidence.

Science Revision Guides

Once again we are able to offer you an ordering system for revision guides. These guides can be ordered directly from the publishers by school and at a reduced cost. So that you can take advantage of these reduced prices and most importantly support your child's revision an order form is provided below.

If you wish to order a revision guide, please fill in the order form and return it to Student Services for the attention of Mrs Hardwick. All orders for revision guides must be paid for using the MCAS app by selecting the revision guides you require.

Yours faithfully

Mrs D Hardwick
Examinations Officer
