25 May 2021

Dear Parents/Carers

I am really excited to provide you with details of our co-curricular after school programme that will be available until the end of the academic year. The number of activities has increased now restrictions are gradually being lifted.

Not only is co-curricular an integral part of our Key Stage 3 Graduation Programme, it is an incredible opportunity for students to try something new, develop some new skills and build confidence.

Sessions will start after school **week commencing Monday, 7 June 2021**. All sessions will finish at 4pm. Please see the timetable of available activities attached to this letter. We would greatly appreciate your support in encouraging your child to attend.

Should you have any queries about any of our co-curricular activities, please contact school.

Yours faithfully

Mr T Marks
Assistant Headteacher
