14 June 2021

Dear Students, Parents and Carers

Year 11 Prom, Rogerthorpe Manor

As you are aware, we have been absolutely committed to attempting to hold a prom for our Year 11 students so that they have the opportunity to celebrate the end of their five year school journey at Carleton High School with their peers, teachers and support staff.

As previously communicated this was always provisional based on the Government roadmap and as such we advised against purchasing expensive dresses, suits and arranging transport.

Following the Government announcement yesterday evening, we are unfortunately having to postpone our Year 11 prom as the roadmap has been extended.

We have arranged a new provisional date of Wednesday 21 July 2021. This will again be based on restrictions being lifted.

If students cannot attend the new date, please contact admin@carletonhigh.patrust.org.uk to arrange a refund.

We hope that this new provisional date will enable our students to have a prom. However, if the roadmap is extended again, unfortunately at this stage we will have to cancel the prom and issue a refund to all families.

We will confirm if the prom will take place on Wednesday 21 July following the next government announcement regarding the lifting of restrictions.

Yours faithfully,

Mrs H Norman
Assistant Headteacher
