

CARLETON HIGH SCHOOL

8 November 2021

Dear Parent/Carer

Year 11 Mock Examinations

Year 11 mock examinations will take place between Monday 29 November and Friday 15 December 2021. These exams will provide class teachers with in-depth information regarding your child's understanding and progress in all their courses and help to determine bespoke provision for students in preparation for their exams. This morning, mock examinations have been launched to all Year 11 students via an assembly, this will be followed up in form time tomorrow and within subjects. When students are not in an exam, they will attend their normal timetabled lesson. Exams will take place in the Sports Hall and Gym.

Student Preparation

Teachers continue to prepare students for their examinations through their day-to-day teaching and in addition to this achieve sessions and, in some cases, small group tuition.

In form time tomorrow students will also receive a mock launch pack. This includes a personalised mock timetable, revision resources, and guidance on what to revise and where to revise from. Students will be given further support on revision techniques.

Results and Feedback

Students will receive results in January, this will be communicated to parents/carers. In lessons students will be given detailed question-level feedback by their class teacher which will help your child to understand which questions they performed well on and which questions. They will then be provided with practical next steps to ensure they are able to work on the topics and skills they need most focus on.

Parent/Carer Engagement

In January you will be provided with your child's report indicating your child's progress and realistic expected grade in each subject which they study. A Parent/Carer Evening is scheduled for Thursday 20 January, we strongly urge you to attend this event as it an opportunity to speak directly to your child's subject teachers. More details with regards the logistics of this event will be shared in the New Year.

This exam window, and the lead up to it, is a key period of time for students in Year 11 and your involvement and support cannot be underestimated and as always is appreciated.

If there are any further queries regarding these assessments, please email;
