17<sup>th</sup> September 2021

Dear Parents/Carers

We are excited to launch our new co-curricular activities for Key Stage 3!

Enrichment activities are a fantastic opportunity for students to try something different, develop new skills and build confidence. They are also an integral part of the Key Stage 3 Graduation Programme, which will be relaunched with students next week.

Below is a timetable of the clubs and activities we currently have on offer followed by a brief summary of each one. All clubs will begin the week commencing 27<sup>th</sup> September and will run from 15:05-16:05 unless otherwise stated.

Please encourage your child to attend one of the fantastic clubs identified below. Should you have any queries, please do not hesitate to contact the school at: [admin@carletonhigh.patrust.org.uk](mailto:admin@carletonhigh.patrust.org.uk)

Yours faithfully,

**Mr M Loftus**  
**Assistant Headteacher**

Tuesday	Practical Power Hour (S5)	Secret Garden Club (S7)	A Christmas Carol Service (theatre)	Anime Club (D5)	Tech Club (D1)	Yr7/8 Boys Rugby	KS3 Netball
Wednesday	Dance Factory (Dance Studio)	Historyflix (H3)	Geography Society (H6)	Star Singers (M2)			
Thursday	A Taster of Mandarin (L3)	Books and Beyond (T17)	The Carleton Times (T14)	Carleton Student Band (M2)	Cooking Club (D4/D7)	Table Tennis (8:00-8:40)	Yr7/8 Girls Rugby

### **Practical Power Hour**

An opportunity for students to make, do and further explore the practical side of science. Covering and linking all three sciences into some of the best and most exciting demos, students will get to see and do more than in lessons completing extra experiments and challenges using their knowledge of science to solve problems and investigate the fascinating world around them. Think more flames, more dissections, more rockets and more shocks!

### **Secret Garden Club**

An opportunity for students to have the hands on experience of gardening, a skill that will last them a lifetime, teach them all about how our food is grown and have fun digging at the same time. They will also have the pleasure of harvesting and then eating or taking home what they grow.

### **A Christmas Carol Service**

Exciting rehearsals for the Christmas show where we will block, rehearse and put the show together as part of a team. This is a wonderful opportunity for those who want to perform their fantastic talents to an audience.

### **Tech Club**

Offers students the opportunity to make exciting products in the creative technology workshops. They will experience such processes as 3D printing and computer aided manufacture as well as traditional workshop techniques.

### **Anime Club**

An opportunity for students to learn and develop the skills and techniques to draw anime characters.

### **A Taster in Mandarin**

Jump aboard the Orient Express with Miss Lopez for a taster course of Mandarin, where students will learn to talk about their age, family, pets and much more.

### **Dance Factory**

A fun, active and exciting dance class inclusive of ability. Building confidence is key. Students will learn teacher led routines as well as creating their own choreography.

## **HistoryFlix**

Come and watch movies based on historical events and then assess how accurate they are to the reality of the time. Consider how each character is portrayed, the events shown on screen and analyse whether fiction matches fact. Students will watch movies ranging from A Knights Tale to Robin Hood, Pearl Harbour to Boy in the Stripped Pyjamas. So come along to the History Department and join the discussion on where history meets the movies. Popcorn optional!

## **Books and Beyond**

A fabulous opportunity to engage with your favourite books through drama, reading, film, art, creative writing, sport, and much more! This term's text is Harry Potter.

## **The Carleton Times**

Be involved in the creation and publication of a brand new school newspaper – run for Carleton pupils by Carleton pupils.

We're looking for driven students to oversee the whole project in Editor and Deputy Editor Roles. In addition, students with a love of writing or sniffing out a story should get involved. Investigate and report the stories that matter to Carleton High School students.

If you want to apply to be editor, please contact Mr Cowlshaw.

## **Carleton Student Band**

Carleton student band is a time for students to either learn or perfect their instrumental or vocal prowess. Come along after school and get performing!

## **Geography Society**

A great opportunity for students to have their say and get involved in improving our school's green credentials. Students will help create new ideas and ways that we can improve our school to become more environmentally friendly.

## **Cooking Club**

Will be an opportunity for students to learn about how different ingredients are used to create interesting, healthy and tasty snacks and meals as well as developing an essential life skill.

## **Star Singers**

An opportunity for students to develop their voices as well as gain extra practice for the school production. Don't miss it ... you could become the next Ariana Grande!
