22nd September 2021

Dear Parent/Carers,

Re: KS3 Mathematics Support

The first couple of weeks has been extremely positive for our students; it is fantastic to see our students returning to school, having face to face engagement in lessons, being back with their peers and enjoying school life.

This week, teachers have begun to set homework in lessons. The Maths department would like to offer additional support with students completing homework by running a Maths support session weekly. This is a fantastic opportunity for your child as we believe it is now more important than ever that we support our students to help aid their future learning.

The KS3 Mathematics support club will begin week commencing **Wednesday, 29th September 2021**.

This support club will take place every **Wednesday** starting at **3:10 pm until 4:00 pm**. At the end of the school day, students will head to **C1** and will be met by a member of staff. Places will be allocated on a first come first served basis. Therefore, if you would like your child to have a place at homework support, it is important that they arrive promptly.

As always, should you have any queries, please email admin@carletonhigh.patrust.org.uk and we will get back to you as soon as possible.

Yours faithfully,

Miss Tinkler
Deputy Curriculum Leader of Maths
