Dear Parent/Carer

### **Year 10 Formal Assessments**

I am writing to inform you that all students in Year 10 will undertake formal assessments in the majority of subjects that they study between **Monday 17 January and Friday 21 January 2022**.

These exams will provide Class Teachers with in-depth information regarding your child's understanding and progress in all their courses.

### **Student Preparation**

Students have been informed about the assessments through an assembly and form tutors will be delivering a session on methods of revision. This is designed to help students develop excellent habits in terms of revision and exam preparation.

Teachers will prepare students for these assessments through their normal day-to-day teaching and will share key information about the assessments.

### **Results**

Following the assessments, students will be given detailed question-level feedback by their class teacher. This will help your child to understand which questions they performed well on and which questions they may need more support with in preparation towards their GCSE exams next year. They will then be provided with practical next steps to ensure that they are able to work on the topics and skills they need most focus on.

You will be provided with a Mid-Year report indicating your child's progress in each subject. You will receive this in advance of Year 10 Parents evening, which is scheduled for Thursday 10 February 2022.

If there are any further queries regarding these assessments, please email; [admin@carletonhigh.patrust.org.uk](mailto:admin@carletonhigh.patrust.org.uk).

Yours faithfully

**Mrs Shaheen Shariff**  
**Deputy Headteacher**
