16 May 2022

Dear parents and carers,

I am writing to inform you about some additional support we are putting in place for year 11 in May half term. There are year 11 revision sessions being run from Monday 30 May to Wednesday 1 June. The timetable of sessions is below, your child has also been given their own personalised version of their sessions. Students are expected to attend in school uniform during this week. Where students are in for the whole day, they should bring some lunch.

	AM 9:30-12	PM 12:30-3
Monday	Maths higher students	Maths foundation students
Tuesday	English sector X Science sector Y	Science sector X English sector Y
Wednesday	History sector X Geography both sectors	History sector Y Geography both sectors

We know from experience that an extra three short days with no other students around at this crucial time makes all the difference to skills and confidence. As tempting as it is to have a week 'off,' we know that revision loses momentum and impact without specialists to guide it.

With the exam period finishing at the end of June, as long as all other coursework is handed in to the required standard, Year 11 students will have a long well-earned summer holiday this year, along with their prom to look forward to on 4 July.

Attendance at these sessions is compulsory. If there is any reason why your child will not be able to attend this revision week I would ask that you contact me at school.

As always, I would like to thank you for your continued support over this year and wish your child the very best of luck with their exams.

Yours faithfully,

R Morris
KS 4 Leader
