

20 May 2022

Dear Parent/Carer

Year 9 End of Year Assessments

I am writing to inform you that all students in Year 9 will undertake end of year assessments between Monday 6 June and Friday 24 June 2022. These assessments will provide class teachers with in-depth information regarding your child's progress and their understanding of the subject. It will also be used to support your child to improve any areas they may need to.

There is a timetable below explaining which week each subject's assessment will take place. This will help students structure their revision. Students' classroom teachers will tell them exactly which lesson during that week their assessment will be.

Week commencing 6th June	Week commencing 13th June	Week commencing 20th June
Design Technology	Art	Geography
Ethics and Character	English	History
Maths	PE	MFL
	Performing Arts	Science

Student Preparation

In the run up to the assessment, class teachers will provide your child with guidance on what to revise and where to revise from. Students have also had an assembly this week with some practical guidance on how to revise.

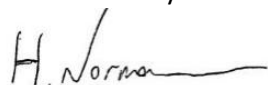

Staff from the SEND department will be working closely with teachers to ensure that any students who require additional support in their assessments will receive this.

Results

After the assessments, students will be given feedback by their teacher. They will also be provided with next steps to ensure students are able to work on and improve any gaps in their knowledge. Parents/carers will be provided with a report towards the end of the year indicating their child's progress in each subject.

If there are any further queries regarding these assessments, please email admin@carletonhigh.patrust.org.uk.

Yours faithfully

Mrs H Norman
Assistant Headteacher
