Dear Parents and Carers,

Re: Consultation Outcome: Amending the times of the School Day.

Thank you to all the parents and carers who shared their views on our proposal to change the start and finish time of the school day from September 2023. It was important to hear both the positive and the constructive feedback on the proposal. When making the decisions regarding the school day, we were mindful of considering the busy lives of parents and carers. We genuinely appreciate the time you took to provide your input, as it has been valuable in our decision-making process.

The consultation period ran from 24 April until 12 May. We have now carefully considered all the views expressed. As a result, starting from September 2023, the school day will **begin at 8.25am and finish at 2.35pm**. This new schedule will be in effect for every school day. We have made this adjustment to ensure a consistent finish time of 2.35pm each day, which will help establish a routine for students and assist parents who need to coordinate their schedules around school hours.

Whilst we wanted to provide you with this information at this stage, please note that we will be sending further communication later in the term regarding broader arrangements for the next academic year.

Thank you once again for your participation in the consultation process. We value your continued support and look forward to working together for the benefit of our students.

Yours sincerely,

Mrs J Cross
Director of School Improvement

Mrs S Shariff
Headteacher
