

Dear Parents and Carers,

Re: Start of Term Information – Wednesday 6 September, 8:25am.

We hope this letter finds you well and looking forward to the new academic year ahead. As the summer break ends, we are excited to welcome all our students back to school on **Wednesday 6 September 2023, 8:25am.**

New Start Time

As previously communicated the school start time has changed to **8:25am**. It is imperative that all students are in their classrooms and ready to start their day promptly. We emphasise that being punctual sets a positive tone for the day, and any student arriving **after 8:25am** will be considered late. Late arrivals will receive a late mark in accordance with our school policy. Student will finish school at the earlier end time of 2:35pm. All school buses will run as normal in sync with the start and end times.

Uniform

We pride ourselves in maintaining high standards of uniform. It is crucial that all students adhere to our uniform policy. Please refer to our uniform guide and ensure that your child will meet our uniform expectations, in particular those related to shoes, haircuts, nails, jewellery and ensuring that **girls' skirt lengths are appropriate.**

If you are having any difficulties with purchasing correct uniform, please do let us know by emailing us at admin@carletonhigh.patrust.org.uk, we can assist you with our pre-owned uniform store. It is thanks to our students and their families that we are able to offer this facility.

We are proud of the exceptional standard of uniform worn by our students and appreciate your support in maintaining this. We look forward to welcoming our students looking smart and ready to learn next week!

Student Equipment

Being prepared is key to a successful school day. Every student must come to school equipped with a **bag** and the necessary stationary, including a pen, purple pen, pencil, ruler, and planner. On the first day of school, planners will be provided to all students and a pen pack will be provided to Year 7.

New build

Works for the new build have begun, with the contractor (Morgan Sindall) planning and carrying out site surveys. We will hopefully start to see the construction of the building starting end of January. There have been slight delays which the Department for Education and Morgan Sindall have now resolved.

We are excited to see our students back on Wednesday 6 September at 8:25am.

Warm regards,

Mrs S Shariff
Headteacher
