11 September 2023

Dear Parent/Carer

### **Launch of Satchel One: Carleton High School's Homework App**

We are excited to be launching Satchel:One with all Year 7 students; an online tool to help you keep track of your child's homework.

Satchel:One allows you to see all the details of the tasks your child needs to complete. It's a great system that keeps you, as parents and carers, completely in the know about what homework has been set and when it is due.

You will be provided with login details to your personal account, linked to your child's homework calendar. All homework for every year group is set via this system, so parents, students and teachers are all on the same page.

We're launching Satchel:One in form time this week for all Year 7 students. Your child will receive their personal log in details along with the log in details for two parent/carer accounts for them to bring home. Once received simply visit [satchelone.com/signup](http://satchelone.com/signup) to start your online registration and access the App.

This service will provide you with a deeper insight into the homework your child receives and will also assist your child's organisation and time-management, and help them to keep on top of their workload.

If you have any queries with regards Satchel One please don't hesitate to contact school.

Yours faithfully

**Mrs G Skyner**

**Assistant Headteacher**
