19 February 2024

Dear Parent/Carer

Launch of the Spring and Summer Co-Curricular Programme

I am excited to let you know that students will be coming home this week with a booklet providing information on the wide range of different co-curricular activities on offer for the Spring and Summer terms.

We are exceptionally proud of the extensive co-curricular offer at Carleton High School and understand the importance of these activities in developing new skills and interests for our young people. With nearly 40 different clubs taking place, including some old favourites and a number of new additions in time for the summer months and in response to feedback from students, there's something for everyone to enjoy and get involved in.

As a reminder for our Year 7, 8 and 9 students; those who regularly attend a co-curricular club will gain points towards their Key Stage 3 graduation at the end of Year 9.

Please look through the booklet with your child and encourage them to sign up for any activities that spark their interest. Our clubs will be starting in full from Monday 26 February, but students are welcome to join at any point throughout the term.

Thank you for your ongoing support.

With kind regards

Kaeti Rawling
Assistant Headteacher
