Dear Parents and Carers

Welcome to the DofE Programme!

We are pleased to confirm that your child has successfully signed up for the Duke of Edinburgh's Award (DofE) programme. This initiative promises to be an exciting journey of self-discovery, adventure, and personal development, and we are delighted that your child will be a part of it.

As we start the DofE programme we want to ensure that you are kept informed about the next steps in the process. Over the next three weeks each student who has enrolled in the DofE program will receive:

- A comprehensive welcome pack directly to their address. This pack will contain all the essential information and recording forms necessary for your child to get started on their DofE adventure.
- A unique username and password from Mr. Simpson, our designated DofE coordinator. This login information will grant access to the official DofE website and app, where your child can explore resources, track their progress, and stay updated on program activities and opportunities.

As parents/carers, your support is instrumental in helping your child make the most of their DofE journey. Encourage them to embrace new challenges, persevere through obstacles, and celebrate their achievements along the way.

If you have any questions or require further information about the DofE program, please do not hesitate to contact us. Thank you once again for your support with your child's participation in the DofE programme.

Best regards,

Mr Simpson
Teacher of PE & DofE Co-Ordinator
