KS4 HOMEWORK TIMETABLE 2024 - 25

In Years 10 and 11, students will receive weekly homework for all subjects each week. For practical based subjects, it may not always be appropriate for homework to be set weekly.

All students have a minimum recommended time they should spend on homework each evening. If students have completed all their homework within the minimum recommended time or they do not have any homework to complete on an evening, they are expected to complete independent study. Independent study could be reading for pleasure, as this is proven to improve literacy skills. Other examples of independent study include preparing revision mind maps or other knowledge retention devices, completing extra past exam questions or questions from recommended revision guides, etc.
