13 September 2024

Dear Parent/Carer,

Co-Curricular Programme – Autumn / Winter 2024

I am delighted to be able to share with the autumn/winter co-curricular programme that we have available to our students. Our range of activities and experiences that we offer beyond the classroom is something that we take immense pride and is met with superb engagement from our students.

We strongly encourage students to participate to in our co-curricular programme. It enriches learning, develops communication across different year groups and strengthens the sense of belonging to Carleton High and a commitment to progress.

The majority of sessions run from after school until 3.25pm and student will be walked to the school gate for collection. Any differences to this will be listed on the timetable and communicated to parents and carers, for example in the instance of sporting fixtures.

Please enjoy looking through the timetable and following the link to the website <https://carletonhigh.patrust.org.uk/co-curricular> to explore the variety of options available. Co-curricular begins on **Wednesday 18 September**. We encourage students to sign up with their form tutors but they are also welcome to turn up on the day even if just to try out an activity.

There will be a further opportunity for Year 7 parents and carers to discuss the co-curricular programme with form tutors at the Year 7 Welcome Evening on Thursday 19 September.

Please contact me if you have any further questions and we are always keen to make sure we are meeting student demand so if there is something missing from our list that you think peers would like to see please let us know and we can look to include.

Kind regards

Mrs Kaeti Rawling
Assistant Headteacher
