As they start their final academic year we would like to extend a warm invitation to you and your child to our Year 11 Information Evening on Thursday 10 October between 5:30pm-6:30pm.

This year is undoubtedly the most important in your child's education to date. School and parents working together is crucial to support your child to achieve their potential. We want to ensure you have the support and knowledge to help them accomplish the very best GCSE results they can.

Our Information Evening will cover the following key topics:

- What to expect as a parent/carer
- How we can support you and your child?
- Top tips for parents/carers and students including vital revision skills
- Important dates, including information about their upcoming Mock Exams.

We will also have representation from the English and Maths department at the event, as well as our SEND department.
